Our lawful basis for processing health information relating to Covid-19 is:

- to protect your vital interests; and/or
- for the legitimate interests of our firm, our clients and those viewing properties to ensure individuals' safety and prevent the spread of the virus.

As health information falls within the definition of "special categories of personal data" under applicable data protection legislation, we also need a special condition to process such information. We may need to process this health information:

- to protect your vital interests where you cannot consent;
- for reasons of public interest in the area of public health, including protecting against serious cross-border threats to health where we have a legal duty of confidentiality to our clients; and/or
- with your explicit consent (if required).
